

NOTE

SHED AND TANK PLOTTED FROM AERIAL PHOTOGRAPHY.

the plan is an Identification Survey and as such should be used only for the purpose for which it was created. Owners or purchasers should be aware that if utilization of the boundary, the outline of the village or building to the boundary, the outline of the compound or the choice of the boundary should be left unaltered. Variation on this or any of the above may bring about a legal problem. The village should be surveyed and mapped on a proper scale and the village should be marked with a proper survey. Therefore, no responsibility to take the plan within the limitation of the plan.
